Profile

I am a passionate programmer with a strong desire to work, learn, and grow professionally. I love discovering new technologies, solving challenges, and collaborating in a team environment. A lifelong fan of video games and geek culture, my enthusiasm for technology drives me to stay curious and innovative. I am dedicated, adaptable, and always eager to take on new challenges.

Experiences

09/2023 - 07/2024	Video Game Programme Arkadia/Esat - Valencia, Spain Final year project published on Steam in which a video game was developed in a semi-professional manner bringing together the different careers and with producers simulating a real work environment. https://store.steampowered.com/app/2999250/Katto_Rising_Tides/
